1.2 Solution to Medium chess puzzle 0002

At this puzzle, next move is by White. The objective of the puzzle is to checkmate in two moves. Black king is guarded by the rook at f8. It may seem not possible to checkmate in two moves. But it is possible. The king has to be forced to move to a vulnerable square. For this you have to sacrifice one of your pieces.

For this, you can sacrifice your queen. Though queen is the most valuable piece, it can be sacrificed for the checkmate. This sacrifice is called magnet sacrifice. See the solution at the puzzle page
