1.2 Solution to Medium chess puzzle 0013

At this puzzle, next **move** is by **Black**. The objective of the puzzle is to gain opponent's **rook**. To gain the rook you need to sacrifice one of your rook. First you need to give a **check** to opponent by **capturing** the **bishop**. Though the bishop is **lesser in value** than the rook, this will attract the **king** to **d1**. Now you can move your rook in a **file** to a1 and give another check. Now the king has to move outside first **rank**. This will give you a possibility to capture their rook. Here you lost a rook but gained a rook and a bishop.
